Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Barbara Walters

How You Approach Relationships

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners anything but cool. You can't resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

Aries on 7th Cusp

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

Mars Ruler of 7th

You will find yourself involved in unusual relationships, or your partner will be unusual. Relationships will be a continual source of inspiration and freedom. They will always be taking unexpected twists and turns. The partners you choose tend to be unique and very independent or self-absorbed. Inventors, technicians, and computer-related persons may figure in your social life either as partners or friends.

Uranus in 7th House

Report for Barbara Walters Strengths in your relationships

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Trine Mercury (orb: 00 10')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 00 48')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Trine Mars (orb: 00 58')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 01 09')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

Mars Sextile Saturn (orb: 01 57')

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Conjunction Neptune (orb: 02 31')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display,

not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Trine Saturn (orb: 05 14')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Trine Jupiter (orb: 06 19')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 07 07')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Conjunction Jupiter (orb: 07 17')

Report for Barbara Walters Challenges in your relationships

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Opposition Saturn (orb: 00 59')

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

Mars Square Pluto (orb: 03 03')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Square Pluto (orb: 03 51')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 07 23')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Sun Opposition Uranus (orb: 07 49')

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Square Sun (orb: 08 21')

Report for Barbara Walters Your Relationship with Edward Brooke

Ideas just bubble up when the two of you get talking. You may never find better support for all your mental gymnastics than you do in Edward. Here's communication where there is feeling behind all of the words. You will find that you can search deep within yourself when you are together. You have in Edward an appreciative audience for almost anything that you may think or write about. You might travel together.

His Moon in Your Third House

Your meeting Edward was exciting and action oriented. In many ways, you are two of a kind. Chances are that you identified with him at once. After all, he is very much like yourself -- like looking in a mirror. Just the person to draw you out of yourself and get you doing things. He may have brought a sense of adventure and risk into your life. You found yourself doing things with him, daring to live, and making a statement. You found yourself really coming across with him, being all that you can be. As corny as this sounds, the world has really been more responsive to you since you met Edward.

His Sun in Your First House

He becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that he truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find his suggestions to the point and almost always productive. You might like to take him on as a business partner just for his financial insight.

His Mercury in Your Second House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Edward's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

His Venus in Your Twelfth House

Edward has the effect of moving you to give up old habits and unwanted traits. He motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, he may tend to badger and shame you a bit. All in all, his influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

His Mars in Your Twelfth House

He is a very social being and may be the key to your making friends in the community or within a particular group. His high ideals and selflessness guide you in your own behavior. He could introduce you to political or social values that are uplifting. The two of you share dreams and ambitions. He can show you how to put these ideas to work. A good friend.

His Jupiter in Your Eleventh House

He seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by him. He won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

His Saturn in Your Twelfth House

He has unusual ways of showing affection and a different sense of self-expression. When you are with him you find yourself willing to try things, feel out all the new possibilities and this includes love making. You just never can be sure what to expect when it comes to Edward, and he never ceases to surprise you.

His Uranus in Your Fifth House

Your friends may find Edward enchanting. He brings an almost otherworldly quality into your friendships, partly due to his strong idealism and eloquence. He could have the effect of uniting a group around their common center of interest. Music and the arts come to the fore. At times you may feel this relationship has an unreal quality to it, that it lacks all sense of practicality.

His Neptune in Your Eleventh House

Edward exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and he is not afraid to let you know about it. From the first time you met, he probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing him.

His Pluto in Your Tenth House

Challenges in your relationship with Edward Brooke

You may not appreciate his sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

Your Venus Opposition His Uranus (orb: 01 53')

There may be some hurt feelings on Edward's part because he feels unappreciated by you. You don't always give him the credit that he feels he is due. He may refuse to give you the kind of support and nurturing that you're looking for. You both tend to be at loggerheads over this.

Your Venus Square His Moon (orb: 03 27')

He may not appreciate your feelings and emotions, and may not like your moods. You may tend to ignore his values and ideals and take them too lightly. He senses that you may not support his sense of values. There could be a kind of cold war going on.

Your Moon Square His Venus (orb: 04 08')

He may feel that you pooh-pooh his fears and worries. His own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep his little confrontations. There could be a bit of a power struggle, complete with explosions.

Your Sun Square His Pluto (orb: 05 51')

How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

Cancer on 7th Cusp

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

Moon Ruler of 7th

Report for Edward Brooke

Strengths in your relationships

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Sextile Venus (orb: 00 48')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

Mars Conjunction Saturn (orb: 01 09')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Sextile Pluto (orb: 02 14')

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

Sun Trine Uranus (orb: 04 23')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Trine Pluto (orb: 05 30')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 08 15')

Report for Edward Brooke

Challenges in your relationships

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

Mercury Square Jupiter (orb: 04 28')

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

Moon Square Uranus (orb: 05 21')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 05 38')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 06 47')

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

Mercury Square Uranus (orb: 07 40')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed

by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 09 13')

Report for Edward Brooke **Your Relationship with Barbara Walters**

The two of you may end up working with the public on some health or service-related project. That may even be how you met. Barbara personifies, and brings to your attention, concerns that you have known about for a long time but perhaps never acted upon. Things like diet, smoking, exercise, preventative medicine...anything that exemplifies a caring attitude. She is very supportive, and when you are with her it seems that all these endless details are easy and even fun to care for.

Her Moon in Your Sixth House

Barbara may have appeared first as a teacher, guide, or instructor. In particular, she represents someone who shares your thoughts on religion, philosophy, and other matters of the spirit. Late night talks extending into the wee hours are likely. These long talks could end in long walks or trips together. You really would enjoy traveling together. Here is someone who appeals to your deeper, more reflective side. This relationship has an honest, direct feel to it.

Her Sun in Your Ninth House

Here is someone you could talk to all night. Discussions almost always transcend the mundane and get right into the reality of things. You may not have thought you liked this kind of metaphysical conversation before meeting Barbara. There is an almost religious quality to them. You may tend to look to her as some kind of authority or guide in matters of the spirit. These tend to be memorable conversations.

Her Mercury in Your Ninth House

She finds you more sexy than just attractive. You felt this quality from the first. Her appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if she already knows the real you and likes what she finds. She handles the most sensitive areas of your personality without even asking your permission. She knows what to do. A very exciting condition.

Her Venus in Your Eighth House

Barbara always manages to bring out the philosopher in you. She can be a moving force in developing your deeper and more metaphysical qualities. There is a real emotional tone to how you relate, but it tends to confine itself to matters of religion and values. The two of you could have discussions that often turn into debates. She could be responsible for pushing you toward a role as a teacher or guide to others.

Her Mars in Your Ninth House

Barbara tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key person as regarding how you view and feel about yourself. Through her you have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around her.

Her Jupiter in Your Fifth House

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

Her Saturn in Your Twelfth House

Communication with Barbara is stimulating and full of brainstorming and flashes of insight. She is an original thinker and always has a way to get a new slant on old problems. Her influence could affect anything you do in the way of thinking, speaking, writing, electronics, technology -- communications in general.

Her Uranus in Your Third House

There is a definite sense of mystery about Barbara. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the sensual aspects -- which should be very strong -- there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with her, and she with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

Her Neptune in Your Eighth House

Barbara's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. She seems to exercise a strange power over you, and this was true from the very first time you met her. You may find yourself wanting to hide this relationship because you feel exposed. She is almost too personal at times. Knowing her amounts to a crash course in facing yourself.

Her Pluto in Your Seventh House
